# Singing about The Lord

The Gospel Hill Ministry started with Gospel Sings back in 1974. The open-air services consisted of singing groups, mainly Southern Gospel, held on Saturday nights.

These sings continue to be a part of our summer events. (see 2015 summer schedule on this page.)

Why Gospel music? Because they are songs about the Lord. The world presents songs about heartache and troubles, Gospel music is singing about the Lord and how He can touch your heartache. Singing about the Lord, brings hope to the hopeless and guidance to the lost. Singing about the Lord encourages, brings peace, activates faith and draws people closer to who this Lord is, JESUS!!!

Christianity is the only religion (more than a religion, but a way of life) that sings its message. The message of this birth to His second coming, a message of how He walked this earth as a man to His divine power to do miracles.

Singing about the Lord is something we do in our churches, in our automobiles, in our home and wherever we feel His presence!

Keep on singing about the Lord, we will here at Gospel Hill.

**Everyone is invited and welcome to attend this years Gospel Sings.**

**Bring a lawn chair for best seating!**

**There is a change in the way the food stand will be conducted prior to the Gospel Sings this year. There will be sandwiches, chips and drinks only; from 5:30 PM until 7 PM in the Fellowship Hall. Donation only!**

# The Gospel Hill Lighthouse

What began as a vision from God is now a real Lighthouse standing on a hill in East Central Ohio.

In the past twelve years a few thousand people, from forty-one states and nineteen foreign countries, have visited this unique structure, unique in that it sits on a hill in Ohio, and not along a sea, lake or even a river. The closest water is about one mile away, the Killbuck Creek, unique in that it really shines out a light (an old airport light) can be seen for miles away.

However, the most important aspect of the Gospel Hill Lighthouse is that it represents a person. A person who brings light into people's lives when they are living in darkness of sin. It represents One who can guide people who are in deep despair in their walk of life. It represents the person of God, Jesus, who said "I am the Light of the world, he who follows me shall not walk in darkness but have the Light of life."

When I was given the vision of a lighthouse, back in 1976, the Lord also spoke to me saying "Go to Gospel Hill and build this lighthouse. It will do three things, it will draw people to Gospel Hill; it will be a prayer tower and you will be able to tell everyone that Jesus is the real lighthouse in the world."

In 2002 ground was broken for the building of this lighthouse. In September of 2003, it was finished and dedicated to God, to begin fulfilling what I had seen and heard from the Lord.

The light shines out into the darkness each night. Daily prayers are lifted in the prayer room and everyone who visits is told that Jesus is the real Lighthouse.

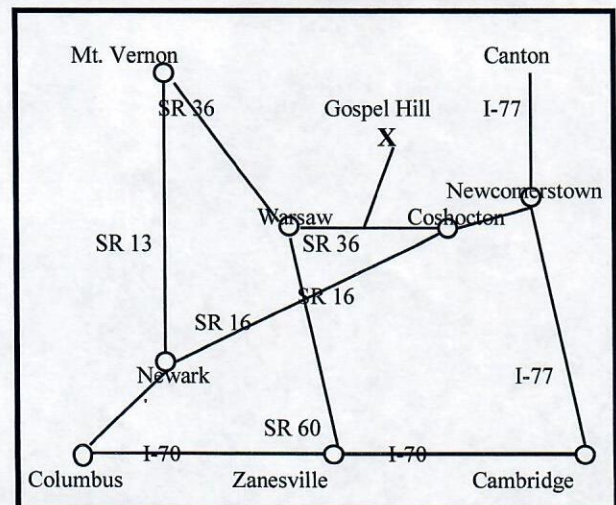

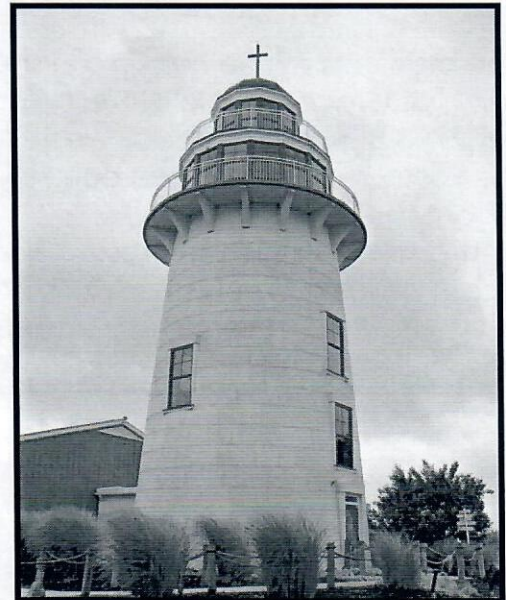

You are invited to come and visit the Gospel Hill Lighthouse, located three miles north off of U.S. Rt. 36 between Coshocton

and Warsaw in Coshocton County, Ohio. The Lighthouse is open from 9 AM - 3 PM Monday through Friday and by appointment on weekends and in during evening hours. Please call 740-824-3300 for more information.

Go to the top of the lighthouse and enjoy the wonderful view God has blessed us with. Pray in the prayer area, walk up the 76 steps and stand on the observation deck and take in the view and unique structure the Lord brought from a vision to a physical reality.

Jesus is truly your Lighthouse.

## Our Trip to San Carlos

Our recent mission trip and work at San Carlos, Arizona, on the San Carlos Apache Indian Reservation, was very successful in many ways.

I was a part of a small, four men, mission team who traveled to San Carlos to minister and do some work on the San Carlos Miracle Church. As for the physical work we had planned to perform was to leave a portion of the floor, patch the roof and evaluate with plans to replace it soon.

Well, the Lord had some things different in mind. Arriving late in the afternoon, we drove from Globe to see if anyone was at the church. As we walked in two of the men of the church were up on a ladder trying to fix the lights, which were not adequate and outdated (ballasts and bulbs outdated). We also noticed that the floor and walls had been repaired.

So, the Lord changed out plans. However, as the Lord always does, He had the right people for the new work. Paul Reed, Roger Perdue and Rick Prosser are very talented in many construction work areas, mainly electrical. We got to work the next day and were able to rebuild and up date eighteen lights in the sanctuary and auditorium area. New updated ballasts and bulbs. The roofs on three buildings were fixed and will be good for another four to five years. Praise The Lord was our response!!! We followed His lead and accomplished more than we ever had expected to do.

We also had great response in the services and believe our visit to the Miracle Church was successful spiritually as well. The people of the church greeted us in love and the fellowship with them was so rewarding.

Back in 1994, when Gospel Hill decided to do mission work and ministry among the Native American Indians, our goal was to build a good and trustworthy relationship

with them. This relationship had been broken so many times over the past 200 years. As Christians I've always felt we, white Americans, must do our best to bring unity and trust with our Indian brothers and sisters illustrating we are all one in Christ Jesus. 1 Corinthians 12:20

This past trip is evidence that God is working in that direction.

Evangelist Ron Davis

The picture above shows some of the improvements we've made in previous years at the Miracle Church at Canyon Day.

The physical work has given the people of the Miracle Church the opportunity to minister, feed the hungry and preach the Word.

## BACK TO CANYON DAY

We will also be heading back to the Miracle Church at Canyon Day Arizona, on the White Mountain Apache Indian Reservation this summer.

Pastor Tate and the people of Canyon Day have become like family to us. There are many physical repairs on the church we want to accomplish, as well as minister.

If you feel led to help Gospel Hill financially with our next project, please mark your donation "Indian Missions."

Together we can help our brothers and sisters at Canyon Day.

## THANK YOU TO OUR MILITARY

**In** the area in which I live and pastor we are blessed with a great group of veterans.

When I first began preaching funerals, over forty years ago, we had dedicated World War II, Korea and a few world War I veterans as well as the National Guard. Today there are no World War II, but a few Korean, Vietnam, and Gulf War veterans. Times and the people changed, but the veterans who perform this important task of bringing a military memorial service of today are still a blessing to families and friends of their departed comrade.

I can only speak for those veterans in the area I'm in, but on behalf many others I say "thank you."

Please join me in honoring our dedicated men and women who are serving our nation in all branches of our armed forces. Pray for their protection as they protect our freedoms.
