
SUNDAY MORNING

Gospel Hill Ministry

March 22, 2020 — 10:30 AM

Sunday Morning at Gospel Hill “Glad you came!”

Gospel Hill's Sunday morning service is open to everyone. We thank you for attending today and ask you to invite others to come with you next Sunday. This service is designed to lift up the name of Jesus and allow the movement of the Holy Spirit through the singing and preaching of the Gospel of Jesus The Christ!

Relax and enjoy what God has brought you here to receive.

Evangelist Ron Davis

What Should We Do?

The Coronavirus has placed many restrictions on where we go, what we do and certainly changed our way of living. The question for Gospel Hill, as a ministry and church, “what should we do”, is being taken seriously. To answer this, I say first of all, we must turn to Jesus, use the tool called prayer to come against this attack from Satan. We must use common sense, yet walk by **Faith** and not in fear. Take every step we can to protect ourselves and others through being sanitary.

We will continue to do Sunday Services and other gatherings as the Lord leads. We may change some things as the days go by.

The **ministry of Jesus must continue** for **HE** has the answers to overcoming this attack.

Many Blessings, Evangelist Ron Davis
