# COVID19

The United States of America has certainly experienced a change in it's lifestyle. To have a disease sweep across the nation, as the Covid19 has done, was not known since polio and the Spanish flu of 1918. Not even Aids or other diseases have interrupted the way of life of Americans, as Covid19 has. It not only was an attack on the physical bodies and health of many people, but also economically, costing many people jobs and a financial crises to our nation.

This has caused many disagreements among Americans, even in the Church, the Christian believers. Some didn't believe it was real or even existed, while others became filled with fear and panic. Others listen to what the media have been saying and others didn't trust what they heard. People became politically involved while some just waited to see what was going to happen next. Some churches closed, some stayed open saying our government was wanting to use this against the church. Some people blamed China; others our own government.

One thing is certain, this virus has caused many to die, peoples lives touched in more ways than I have time to list and divided people, given many a negative attitude toward life in general.

Well, what I have written so far, is what you already know. However, as you consider what has been said, let me remind you of some facts; some things I personally experienced over these last few months. All of this is real. It's been a real disease, a difficult time which changed our ways of living, caused problems in many ways; but something which hasn't changed, and that being our Lord Jesus Christ! He has healed many from this deadly virus! He hasn't become politically involved, just remained Lord of Lords and still knows all! He was with those in the church building and when they used virtual reality! Jesus continued to supply the needs for those who lost jobs and needed food! He stayed positive, as His Word encouraged many, as they turned to Him! He brought many people together in spite of hav-

ing to stay away from each other! He was visiting people in care centers and hospitals even when close family members couldn't! He replaced fear with faith for many as time went by! He has protected people, not only from the virus, but many other attempts of the devil to kill, steal and destroy!

One last statement I would like to make. Satan and his evil powers is who created the Covid19 and all of the other problems we've experienced. Don't forget, Jesus has defeated him and victory belongs to you as God's child!

Evangelist Ron Davis

## The "Word" Makes A Difference

The devil knows how powerful the scriptures can be, when used against him, during his attacks.

So, let's get into the Bible and used God's Word every time satan comes against us. Here are a few scriptures to use.

Joshua 1:9—"be strong & have courage"

Psalms 91:11-16—"angels over you"

Philippians 4:13—"Christ strengthens you"

Romans 8:37—"we are conquerors"

1 John 4:4—"Jesus is greater"

Psalms 103:1-3—"He heals"

These verses are not new to you, but they are truly powerful when used against the enemy.

# SHARING THE GOSPEL IN SONG

## “Sharing The Gospel in Song”

Changes for this summer!

Gospel Hill's Gospel Sings begin in June. This marks the 46th summer of presenting Gospel Music on the side of the hill, at Gospel Hill's open-air place of worship.

There are going to be some big changes this year, due to the Covid19 effect on gatherings, there will not be a food stand prior to the sings. We will also honor the personal distancing as much as possible.

Bring a lawn chair and enjoy these outdoor Gospel sings. In case of inclement weather, we will move inside.

For further information please call 740-824-3300 or 824-3310.

## **Mission Support** **Continues**

Supporting missions and missionaries has always been a part of the Gospel Hill's outreach ministry. As I have shared in the past, it began with praying and financially supporting David Beam, who was a young man serving the Lord in Guatemala. This was in 1976.

We believe it is important for ministries and churches to give outside of what they are personally involved in.

Due to the restrictions on travel and other orders, Gospel Hill has put a hold on some of our plans to visit, work and ministry on the missionary fields. However, we continue to plan, to support financially and, of course, prayer for those whom we are connected with.

The list you see on this page are those who we regularly support. If you would desire to help them please feel free to contact them at the address shown.

### **Indian Missions**

When the Covid19 came upon our country and the "stay home orders" took place, we put our mission trips on hold. As things improve and travel becomes possible, we will be taking a trip to Arizona. We expect to layout plans for a major construction project at the Canyon Day Miracle Church, on the White Mountain Apache Indian Reservation. We also intend to do some things at the San Carlos Reservation in the future.

The donations, which some of you have already given toward "Indian Missions", are being held and will only be used for these upcoming projects. We thank you and will keep you updated as we get closer to conducting these mission trips.

## Open Again!

On June 1 we opened the Gospel Hill Lighthouse to the public. It was closed during the stay home order, here in Ohio.

We are taking steps to make the visiting of people, in the lighthouse, safe. A regular cleansing and sanitizing is taking place. We ask that visitors use common sense as you go through the Lighthouse, asking that groups respect the rules of your group leaders.

### Come Visit

We are open Monday thru Friday 9 AM—3 PM

For visiting on evenings and weekends call 740-824-3300. For groups please give us at least a week's notice.

"We are looking forward to seeing you!"

## Come Visit The Lighthouse

The Gospel Hill Lighthouse is located on top of a hill in Coshocton County, Ohio. It is open Monday through Friday from 9 AM—3 PM and by appointment on weekends and evenings.

Fall, winter, spring & summer you will enjoy the great view as you stand at the top of this unique structure, representing Jesus as the Light to the world.

An old airport light is located in the top of the Lighthouse and shines all night long. It's beam is seen for miles, flashing over the valley below & on the hills in the distance.

The Gospel Hill Lighthouse has stood at Gospel Hill for over fourteen years shining a light which represents "Jesus" who is the Light of the World. John 8:12

Spiritually it is a light, as it serves as a place of prayer. It also welcomes people to visit as they go up to the observation area and view God's creation.

Thousands of people have visited from 45 states and 23 foreign countries in these past years.

May the Gospel Hill Lighthouse continue to shine The Light of Jesus.

## PLACE OF PRAYER

The second level of The Lighthouse is where prayer meetings are held Monday through Friday. It is open for people to come and pray, read the Word of God or just meditate in His presence.

The Lighthouse prayer level is available for church groups to come, hold meetings or prayer vigils. Just call the Gospel Hill office at 740-824-3300 to reserve a time. Intercessory prayer has always been an important part of the Gospel Hill Ministry and we want to share this "place of prayer" with others.

# Prayer Continues!

Gospel Hill's "Prayer Request Ministry" was one of the first phases of our outreach ministry. In 1974 we were holding Gospel Sings. Many people who attended these open-air sings (for we had no buildings or shelters at that time) would ask me to remember them in prayer. We began to write them down and by the end of 1975 it became a part of the Gospel Hill Ministry. When we began printing "The Light" we were receiving many prayer requests each month.

Throughout the next few years we began receiving requests from those receiving "The Light" and also from people of the churches where I was holding crusades.

"Prayer" has been and still is a very important phase of the Gospel Hill Ministry. We take each request seriously and pray over them daily.

During the time of the "stay home order" and having the Gospel Hill offices and Lighthouse closed, almost all of the prayer requests had come into my home. This helped me appreciate, even more than ever, the value of our prayer request ministry.

Gospel Hill also has a "One Call Now" line which is a telephone plan where we can call many people who attend and are part of our Sunday morning church family, using only one call.

Gospel Hill believes in the power of prayer and prayer is a tool which God has given the believer to not only communicate, but to bring His Word active to counter attack the powers of satan. Prayer is truly a relationship with God through and in the name of His Son Jesus.

We will continue to use prayer as a part of our ministry. We challenge you to also make "prayer" a part of your life.

**Return Service Requested**

Americans will once again celebrate a birthday. July 4, 2020 will mark 244 years of being a great nation, with freedoms unlike any other.

There have been many attacks, by satan over those years, that tried to destroy those freedoms. The Civil War divided the nation for a period of time, but America came back strong. The great depression changed everyday life, cost peoples jobs and hurt in many ways, however America didn't give up. We came back stronger than ever! September 11, 2001 took everyone by surprise and caused the world to stand still, brought much fear to Americans, but they came together and bounced back.

During these and other attacks we never stopped celebrating our birth! Why, because "In God We Trust"!

Let's remember who was behind all of these attacks, "satan", who always and only comes to kill, steal and destroy. John 10:10 It's been the same enemy, who has attacked through Covid19 once again.

Join me in thanking the Lord for the victories and celebrating our nation's birth.

**HAPPY BIRTHDAY U.S.A.**
